27th AUGUST 2021

RESTRICTIONS CONTINUE - MARKET CLOSED – 29th AUGUST 2021 & UNTIL FURTHER NOTICE

Thank you for supporting our Sunday Market and for registering to receive our Community Newsletter. The Market has been operating in a Food Only format for the past few weeks.

However, unfortunately due to the growth in numbers and spread of Corona Virus over the past few days and the significantly increased risk this poses to Stall Holders, Rotary Volunteers and you visiting public customers, we have taken the decision to temporarily close the market until the infection risk significantly improves and we are able to safely operate once again.

This decision has also been influenced by a small number of market attendees who do not want to adhere to the requirements such as using the QR code and/or the wearing of face masks – further increasing the risk to others. We are sorry to close the market for now but believe that it's in everyone's best interest and safety. **We will advise you when the market is next scheduled to be open.**

ROTARY IN YOUR COMMUNITY

With income from the Market & our Charity Golf Day at Huntingdale Golf Club, prior to the impact of Covid, RotaryOCH gives back more than \$100,000 each year to the local community, supporting: fourteen Community Organisations, youth & student support programs at seven Schools, three local Sporting Clubs, and tertiary scholarships at four tertiary training organisations, plus support to seven international humanitarian project activities. Your support of the Market helps the broader community.
