

OAKLEIGH ROTARY SUNDAY MARKET

(Project of the Rotary Club of Oakleigh Clayton Huntingdale Inc)

TRADERS NEWSLETTER NO 10

28 MARCH & 4 APRIL 2021

Dear Stall Holder

- **NEXT SUNDAY 4 APRIL DAYLIGHT SAVING TIME ENDS –
TURN YOUR CLOCK BACK 1 HOUR**
- **NEXT SUNDAY 4 APRIL IS EASTER**

Noise

We are **not** to set up **before 6 am**. The Council stipulates this in **respect of our neighbours** who live next to the market. Please do your best to keep noise to a minimum when setting up early.

Keep boundary fences and garden spaces clear

Everyone is reminded that in respect of our neighbours and community to please keep boundary fences clear and keep garden spaces clear at all times.

Important Information for Stallholders:

BEWARE there is suspicion that someone is trying to pass off counterfeit \$50.00 notes – possible other denominations - at the Market. If it happens to you ring 000 and let us know.

Masks

Wearing a mask is now **not compulsory in our open air market**. But remember to carry your mask. Crowding may compromise a safe and social distance, so wearing your mask then is the best option. Surface cleaning and hand hygiene remain important – **clean, disinfect, sanitize**.

First Aid

Rotary OCH has a First Aid kit available in the caravan. We also have a small supply of masks and hand sanitizer available.

Overnight Rubbish and Cars parked in spaces overnight

We are aware of these unfortunate circumstances. Our first morning roster will promptly attend to any clean up and assist with re-location of any affected stall site.

Market Promotion – Watch this space

- During April we plan to make a **Market Video** “The Market and its Contribution to Community”. Students from South Oakleigh College will assist us with the production.
- On Sunday 9 May a mobile van from **Golden Days Radio 95.7 FM** will broadcast from the Market.
- Visit the Van to let us know if you are interested in being interviewed.

Power

We have **safe access** to power at the pole in the central market. Please enquire at Caravan

Rubbish

Please remember to **clean your site** at the end of each market. Thank you.

- **Our Market is Clean, Safe, Compliant, Insured, Respectful and Respected**
- **IMPORTANT – The Market will be closed on 25 April 2021 which is ANZAC Day**
 - **WE THANK CITY OF MONASH FOR ITS VALUABLE SUPPORT**
