

OAKLEIGH ROTARY SUNDAY MARKET

(Project of the Rotary Club of Oakleigh Clayton Huntingdale Inc)

TRADERS NEWSLETTER NO 14

22nd JULY 2021

Dear Stall Holder

MARKET UPDATE – **CLOSED 25th JULY**

The Market remains closed on 25th July due to Covid lockdown restrictions – hopefully we can open 1st August, Covid restrictions permitting. Tickets purchased for 18th July still valid. In this lockdown period we ask you to consider the following issues in preparation for the Market reopening.

QR Code Tracing – In the current Covid situation it is essential the Market complies with all QR Code Tracing requirements. Please have the Market QR code on display & encourage staff & public to use it. Also comply with the other requirements of the Covid SAFE Plan.

Market Renumbering – Traders present on 11th July received a package of information, including Newsletter 13 about the renumbering of the Market which has now occurred but this **DOES NOT change the location of your trading site.**

Updated “Terms & Conditions for Operating Stall Sites” now apply in conjunction with new Ticket wording. It also includes information about Rotary’s support for the Community. If you have not received the information package, it will be given to you next time you purchase a Market ticket.

Rubbish, waste management – We have received a complaint from Council about rubbish & goods being left in the carpark after the Market. Traders are reminded that; Your allocated site and surrounding area must be left clean at the conclusion of the Market. All rubbish & unsold goods must be taken away & any spillage or waste left by the public, as a consequence of your activity must be removed. Do not dispose of rubbish into shop bins.

Market Documents – All market documents & the QR Code can be downloaded from our website; <http://rotaryoch.org.au> / Sunday market / stall holders

Newsletter Distribution – Market Newsletters are sent to all Traders on our data base, including non-active Traders. If you don’t wish to receive the Newsletter, please click **Unsubscribe** on the distribution email.

MARKET PROMOTION

In the months ahead, following Market reopening, RotaryOCH will be focused on general promotion of the Market and all Traders. We would welcome any suggestions from Traders about Market marketing options. 😊

STAY SAFE
