

# OAKLEIGH ROTARY SUNDAY MARKET

TRADERS NEWSLETTER NO 1

12 August 2020

Dear Stall Holders

Thank you for your patience, during the Covid19 restrictions and lock down. This is the first of regular written communications with all market stall holders.

## Market Reopening

Regrettably with the current Covid19 restrictions in place, the market remains closed until further notice.

Nevertheless, we are working hard to reopen the market as soon as it is legal and safe to do so. Hopefully this will be sometime in September. For the two Sundays prior to reopening we will have our Rotary Caravan on site to give all stall holders updated information on future market arrangements.

## Contact Details

Thank you to all stall holders who have provided full contact details, which enables us to communicate with you. If you know other stall holders who have not given us their contact details please pass on this message to them & ask them to register their details with us.

## Covid19 Regulations

When we do reopen, we will all have to operate in accordance with to Covid19 Regulations. We will produce a summary of those regulations, but stall holders will need to ensure they comply with all Covid19 regulation requirements.

## Monash City Council Requirements

We acknowledge and thank Monash City Council for their support of the market. We are currently in negotiations with Council for a renewed licence to operate the Market on the Council car park. This will involve new obligations for our Rotary Club some of which will also apply to stall holders. Full details will be provided as soon as they are finalised.

## Market Promotion & Marketing Web: [www.rotaryoch.org.au](http://www.rotaryoch.org.au)

We are also working hard to improve the promotion of the market in the community, including greatly improving our Market Website at; <http://rotaryoch.org.au/home-gallery-item/36466/oakleigh-rotary-sunday-market> , with a direct link at "[click for Link](#)"

Shortly there will be a special website page with stallholder information.

Best wishes & stay safe

Felicity Smith
