

# OAKLEIGH ROTARY SUNDAY MARKET

## A New Beginning- Update

TRADERS NEWSLETTER NO 5

2 December 2020

Dear Market Traders

Thank you to all Traders who persevered last Sunday in very difficult weather conditions. The events of the day highlight the importance of all of our safety requirements.

This week we emphasise the following key points.

- **SITE ACCESS** – Under Council conditions **YOU ARE NOT PERMITTED TO SET UP BEFORE 6 AM**
- **SECURITY OF STALLS** - All demountable structures must be sturdy and made secure to withstand changing wind and weather conditions, using suitable weights. (A minimum of a 7kg weight on each leg of every structure is recommended).
- **LAYOUT** – Due to Council permit enforcement, THIS WEEK A NUMBER OF STALL SITES WILL BE RELOCATED – we apologise for any disruption this may cause.
- **COVID PLAN** - You must comply with the Market COVIDSafe PLAN (**NOTE: All Traders & Staff & Rotary Volunteers to wear masks**). Rotary will be auditing Trader compliance.
- **INSURANCE** - Mandatory Insurance cover requirements for All Traders. (Traders having difficulty, should discuss with Market Management this coming Sunday.)
- **PAYMENT** - preferred payment method is via EFTPOS
- **MARKET TERMS & CONDITIONS** - Acceptance Undertakings must be completed, signed & returned by this Sunday.

### TRADER OBLIGATION DOCUMENTS

All Trader Obligations & supporting documents can be downloaded from our website.
