

# OAKLEIGH ROTARY SUNDAY MARKET

## Update

TRADERS NEWSLETTER NO 6

10 December 2020

Dear Market Traders

Thanks again to all Traders who attended last Sunday. Once again the Weather was not kind to us - hopefully this Sunday will be perfect Market Conditions.

**Last Sunday we had visits from two Monash Council officers checking to see that the Market was complying with the terms of the Market licence. They emphasised that we must all comply with the new Council rules.**

So, we again emphasise the following key points:

- **SITE ACCESS** - UNDER COUNCIL CONDITIONS NO-ONE IS PERMITTED TO SET UP BEFORE 6 AM
- **SECURITY OF STALLS** - All demountable structures must be secured with suitable weights to withstand changing wind and weather conditions, (A minimum of a 7kg weight on each leg of every structure is recommended).
- **COVID PLAN** You must comply with the Market COVIDSafe PLAN (**NOTE:** All Traders & Staff & Rotary Volunteers must continue to wear masks). Rotary will be auditing Trader compliance.)
- **INSURANCE** - All stall holders **MUST** have Insurance cover. (Traders having difficulty, should discuss with Market Management on Sunday.) Traders without insurance will be charged an additional amount from 20.12.2020.
- **RUBBISH**- Sites must be left clean – please clean up and take all of your rubbish away.
- **VEHICLES** – Vehicle movement throughout the market is prohibited between 8 AM & 12 noon, you must comply with the traffic management plan.
- **STALL RELOCATION** - Due to Council permit requirements the stall relocation which occurred last week will be permanent.
- **PAYMENT** – preferred payment method to Rotary is via EFTPOS.
- **MARKET TERMS & CONDITIONS** - Acceptance Undertakings must be completed, signed & returned by this Sunday.

All Trader Obligations & supporting documents can be downloaded from our website.
