Perc Moore Award

Hello all

On Wednesday February 18, Head of Department Ann Moore, and myself conducted interviews with five Apprentices from Holmesglen TAFE Waverley Campus in order to select the winner of the Perc Moore Award for the Outstanding Horticulture Apprentice.

As is always the case, the five nominees were all worthy candidates, but after much discussion we decided to select BETHANY CRUIKSHANK as the winner of the award, which was first presented in 1977.

On Wednesday March 4, I will present the award to Bethany at the Holmesglen Awards Night at the Chadstone Campus of Holmesglen TAFE.

Congratulations Bethany, we will all look forward to meeting her at the Club Vocation Awards Dinner later in the year.

My thanks to Ann Moore and Helen Georgiou for their assistance in the process.

Regards
Peter

Scalzo Foods is located in Melbourne with a network of manufacturing capabilities, offices and warehouses across Australia and New Zealand. They have also made a large commitment to Agricultural in Australia with investments in Farms in regional Victoria and a Plant Protein facility, which has extended their capabilities in the export market.
Quin is a dedicated Rotarian and is the past President of the Rotary Club of Melbourne. He was awarded a Member of the Order of Australia in May 2018.
He is married to Lina and they have 4 children and 9 grandchildren.

Cathy Scalzo, CEO of Scalzo Family Office

DG News February 2026 - Meet Your New High Performance Marketing Team

It's David Button here — your District 9815 Communications Chair — and yes, I'm excited.

Across our District, Clubs are back in action. Projects are moving, leaders are stepping up and fresh ideas are taking shape. The momentum is real — and this month's DG News captures it perfectly.

In this edition, District Governor Peter introduces the newly formed High Performance Marketing Team — created with one clear purpose: to help Clubs tell their story more powerfully.

Watch the video here: <https://www.youtube.com/watch?v=-Ez3MHVGzBY>

This team is ready to support you to:

- Showcase your impact to the wider community
- Strengthen communication with members and supporters
- Attract new members and partners
- Position Rotary as vibrant, relevant and worth joining

Despite a lively filming environment (let's just say microphones had a workout!), what shines through is the expertise and commitment of this team. They are a practical, accessible resource for every Club in D9815.

DG News isn't just an update — it's your connection point. A chance to see what's happening across the District and identify opportunities for your Club.

So, take a few minutes, press play, and then:

- Share it with your members
- Discuss it at your next meeting
- Act on one opportunity that stands out

Let's make 2026 the year our stories are told as strongly as our service is delivered.

You can also connect with the High Performance Marketing Team here: <https://rotary9815.org.au/sitepage/high-performance-marketingteam>

Get ready for RYLA 2026!

We are incredibly excited to announce RYLA 2026 will be on 6 to 11 July 2026!

The Rotary Youth Leadership Awards (RYLA) is a 6-day leadership conference for 18 to 30 year-olds to discover their potential, build connections and gain practical skills.

Now is the time to start identifying potential participants that your club could sponsor.

Applications are open now! The participant application form and more information about RYLA can be accessed here: <https://linktr.ee/ryla9815>

The RYLA team is also keen to help your club find participants, so if you would like any specialised promotional material or other resources to target certain participants, please let us know.

Sponsoring a participant or leader for RYLA 2026 will be \$1,650 (inc. GST), the same as last year.

You may have also heard that RYPEN is coming back! The Rotary Youth Program of Enrichment (RYPEN) is a 3-day enrichment program for 14 to 17 year-olds, and it will be returning in September 2026! The RYPEN team will be in touch soon to introduce themselves and let you know more about RYPEN.

The RYLA and RYPEN teams are also happy to visit your club as a guest speaker to discuss the programs in person. If you would like us to come and present at your club, please let us know.

We really enjoyed our club visits throughout 2025, especially seeing RYLA participants give presentations to their sponsor clubs. I was inspiring to see them share their experiences, reflect on their personal growth, and talk about what they gained from the RYLA conference. It's amazing to see the real-world benefit that RYLA has had on so many people.

We look forward to discussing RYLA 2026 with you! In the meantime, feel free to email with any questions that you may have.

Kind regards,

The RYLA 9815 Team

Volunteer Youth Forms

"All members - following up on working with children checks – it is imperative that all members who may come in contact – even incidental - with children (those under 18) have a working with children's card (WWC) – most members have one but for those that do not could you apply for one ASAP and advise Michael once its received. It costs nothing to apply for a card as a volunteer – you can apply using this link [Working with Children Check \(service.vic.gov.au\)](http://Working with Children Check (service.vic.gov.au))

Now for the additional requirement of a Form 3 – as explained by the District Youth Chair – Ken Mirams – this is an additional requirement imposed by both the Victorian Government, Rotary International and for insurance purposes. The Form 3 is an extra check particularly for those situations where you may at any time be in a one-on-one situation with a child (anyone under 18), in those cases you must have both the WWC card and a completed Form 3.

Trust that this clarifies – incidental contact with children (not one on one) a WWC check is sufficient – in situations where you will or may be one on one then a Form 3 must be completed. Of course, logistically it makes planning a lot easier if we all have both the WWC card and a Form 3"

Upon completion, please send the form to me.

Joke of the Week

Good way to get the kids there if that's what it takes.

A man in Phoenix calls his son in New York the day before Thanksgiving and says: "I hate to ruin your day, but I have to tell you that your mother and I are divorcing; forty-five years of misery is enough".

"Dad, what are you talking about?" the son screams.

"We can't stand the sight of each other any longer", the father says, "we are sick of each other, and I'm sick of talking about this, so you call your sister in Chicago and tell her!"

Frantic, the son calls his sister, who explodes on the phone:

"Like heck, they're getting divorced", she shouts, "I'll take care of this!"

She calls Phoenix immediately and screams at her father:

"You are NOT getting divorced. Don't do a single thing until I get there. I'm calling my brother back, and we'll both be there tomorrow. Until then, don't do a thing, DO YOU HEAR ME?" and hangs up.

The old man hangs up his phone and turns to his wife: "They are coming!"

E-club develops young leaders through online workshops

By *Hannah Wallace*

Khumbo Chilimira Ndovi, a 25-year-old university lecturer in Malawi, has impressive leadership credentials as an accomplished young professional in the southeastern African country. She also knows how to have fun for a cause.

As president of the Rotaract Club of Blantyre, Chilimira Ndovi organizes lively fundraisers like karaoke parties and trivia nights to raise money for blankets for babies born to mothers in need. Now, she's thinking about how to make an even bigger impact. "I want to move on to a bigger project where we're maybe building a hospital wing or where we're building a library for a school," she says.

To help her get there, Chilimira Ndovi found a mentor in a seemingly unlikely place: 5,000 miles away in Scotland. Specifically, the Rotary E-Club of Southern Scotland, which recently started a virtual leadership development program that pairs Rotarians who are industry leaders with younger professionals for online workshops and one-on-one mentorship.

The four-month program included lectures on everything from ethical leadership to managing conflicts. The club, whose members are from Europe, Africa, the U.S., and Australia, introduced the leadership program last year in a pilot phase with hopes it will spread districtwide. Besides giving the club a meaningful focus, members hope the program will also familiarize young professionals with the kinds of career and leadership development opportunities that are available to Rotary members.

Early signs are positive. Chilimira Ndovi found a new respect for Rotary and is planning to transition to Rotary membership after her Rotaract presidency. She was paired with mentor Denis Robson, a Rotarian based in Innerleithen, Scotland, for conversations that often focused on navigating change in the workplace. "I want to know how I can manage change, manage differences, where I don't just spiral because something is not going according to plan," Chilimira Ndovi remembers telling him.

Robson, a former director of African affairs for Johnson & Johnson and an honorary fellow of the College of Surgeons of East, Central, and Southern Africa, has navigated plenty of change. He quickly established a good rapport with Chilimira Ndovi. "She is a very confident young woman who enjoys challenges," he says. "She is also a great team player."

In his role with Johnson & Johnson, Robson traveled to Malawi frequently. His familiarity with Chilimira Ndovi's country, known as the Warm Heart of Africa for its reputation for kindness, put her at ease. "Her openness to sharing her thoughts in a trusting and open environment was a delight," he says. He hopes to stay in contact with Chilimira Ndovi and work on projects together in Malawi.

Chilimira Ndovi, for her part, built a network through the experience with participants from Europe, where she's hoping to travel to one day. "We need to find ways to meet!" she says.

The leadership program is part of a rebirth for the club, which was originally chartered in 2010 as the Rotary Club of Edinburgh Park. Member Lynne Nelson remembers that in those early days the club was based in a business park in Edinburgh and had about 25 members. But many of the club's members moved abroad for work. When the club got down to 14 members, they realized that they had to do something. They switched to an e-club in 2014 in hopes of growing their membership internationally.

The leadership program was the brainchild of two Rotary members in Switzerland, Tetiana Moroziuk and Juliet Beckwith. The two women were working together at the cancer prevention and screening company Exact Sciences when Beckwith suggested Moroziuk join the e-club.
