14 th December	General Meeting at the Clayton Hotel. We will be holding our Xmas Party (More details to follow)	Sam Oddo
21 st December	Board Meeting (Via Zoom)	Richard Simmons
28 th December	No General Meeting this week due to the Christmas Break	

Rotary Four-Way Test

"Of the things we think, say or do:

1. Is it the Truth?
2. Is it Fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?"

Presidents Report

2026-27: Create Lasting Impact

Last week's meeting the assembled group of Rotarian's (and a couple on line) were welcomed the Students from South Oakleigh College who we sponsored to go to MUNA (Model United Nations Assembly).

The presentation was extremely well done and put together, well done all.

We also had a presentation by Snr Sargent Mark on a project he is hoping to get going in the Monash district. a robust Q&A session afterwards threw some more light on the projects goals and it was proposed that the club might assist in some way - more news to come.

Tonight is our board meeting, coming up next week are the team from RYLA to give us a presentation on what happened this year.

Yours in Rotary
Pres Richard

Last Meeting & Notes

Last Meeting (12th October):

Apologies = Barry Cronan, Atul Gupta, John Bethune & Greg Telley.

Make Ups = None.

Leave of Absence = None.

Visitors = Students (Soham, Kirrily and Owen) & Teachers from South Oakleigh College and Snr Sergeant Mark Rodgers (Oakleigh Police).

This week our meeting was back at the Clayton Hotel and we were lucky enough to have some great guest speakers.

First up were Soham, Kirrily and Owen from South Oakleigh College who presented on their (MUNA) Model United Nations Assembly experience which was recently held at the Lyndale Secondary College.

The Object of Rotary

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
3. The application of the ideal of service in each Rotarian's personal, business, and community life;
4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Model United Nations Assembly is an inter-school debating event where teams of six students form a delegation to represent assigned countries and debate those countries' positions on set topics. Unlike other UN school programs, Rotary MUNA emphasizes debating resolutions rather than drafting amendments.

MUNA is a powerful extracurricular activity that brings together so much of the VCE curriculum: History, Geography, Social Science, Political Studies, English and Drama, as well as providing opportunities for leadership and teamwork.

Then we had Snr Sergeant Mark Rodgers from the Oakleigh Police who gave us an excellent presentation on VMS Trailer Concept to help support and protect the local community from Crime and teach them to ensure they keep themselves and valuables safe.

To hear and see the presentations made from our Guest Speakers and General Business made by the members, refer to the video by clicking on this [link](#).

Oakleigh Rotary Sunday Market – Information & Roster

Club Vision

OCH Rotary is an energetic, fun-loving, forward-thinking Rotary Club that wishes to continue to grow strategically and provide all its members with opportunities to serve while undertaking worthwhile and sustainable projects locally, nationally and globally.

The Oakleigh Rotary Sunday Market Bookings are now online. Click Image above or scan the QR code below to make your booking

Oakleigh Cricket Club Sponsors Update

Dear Sponsors,

I am very pleased to inform you all that the Oakleigh Cricket Club has started the new season in a very promising manner.

The First X1 won a very tight game away against Baywater.
Defending Premiers, the Second X1 had a very convincing win at home against Bayswater.
The Third X1 easily accounted for Brighton at home.
The Fourth X1 lost a very tight game against Brighton at home.

Given we had 22 players making their senior debuts, this was a very encouraging performance and sees us sitting equal first on the VSDCA Club Championship with Preston and Port Melbourne.

Round 2 is a two day fixture which sees the First X1 playing Endeavour Hills at home, and the Second X1 playing Endeavour Hills away. The Thirds will be playing Caulfield at home, and the Fourths will play Caulfield at Caulfield.

The Junior section also began their season last weekend, with the Under 11's, Under 13's, Under 15's and Under 17's all making successful starts to their programs.
The Woolworths Blast Program for 4 to 10 year olds will begin on Saturday mornings in November.
The J G Craig Shield Under 15 representative team has been selected and will begin their training and practice game schedule next week in preparation for the Carnival in January.

I look forward to seeing you all in the near future. As club sponsors, you are always very welcome at our Thursday night dinners, games and club functions.

Thank you for your generous and loyal support, it is very much appreciated by all members of the Oakleigh Cricket Club community.

For those of you who would like to pay your sponsorship this month, let me know and I will arrange our Treasurer to forward an invoice to you.

Regards and best wishes,
Peter

Upcoming Dates

District 9815 News

D9815 Working with Children – Important Update

From Oct 19th 2026, the Victorian Government is making changes to the WWC card application process.

Expect from the above date that you will be required to do online Government training before a card can be issued. You can expect this to occur for:

1. All online renewals at the renewal date
2. All new online applications
3. If you are changing status from a “**Volunteer**” to an “**Employee**” card (i.e. if you previously had only needed a WWC card for volunteering, but then become employed in an industry which requires a WWC card - there are two different types.)

All queries to go to Ken Mirams (District 9815 Protection Officer)
protection@rotary9815.org.au_M:0435573635

2026 Council on Resolutions

Dear District 9815 Rotarians and Rotaractors, I am pleased to share that the 2026 Council on Resolutions resolutions are now available, and the commenting period is open. All Rotarians may read the published resolutions [here](#).

- As District 9815 Council member, I may submit comments on up to three resolutions from **1 to 8 October. Comments can only be made by Council members:** These include representatives, the Council Operations Committee, the RI president, the RI president-elect, members of the RI Board, and one member of The Rotary Foundation Trustees. Comments do not need district approval and are considered the member's opinion.

If you have any comments on the published resolutions that you wish to bring to my attention, please email me directly linda.humphries@rotary9815.org.au so I can consider your views before the voting process begins on 15th October. The ballot will include each resolution along with any

published comments. Representatives will cast their votes as they review each item by **31 October**.

Regards

Linda

Secretary 2026-2027

Support for Nepal

Dear District 9815 Rotarians and Rotaract Members,

You will be aware of the absolute devastation and current tragic circumstances in the aftermath of the flash flood in Nepal.

After discussions with all of the relevant District Leaders, and with particular input from our Peninsula Rotaract members, who have a strong connection with some Rotaract and Rotary Clubs in and around Kathmandu, Nepal, we have developed the following stepped plan for moving forward with support for the people of Nepal.

1. In the short-term, donations to RAWCS are still valuable and thank you to those clubs who have already taken action by donating to RAWCS.

We also offer the opportunity to donate to our own D9815 District Disaster Relief Account. The money here will be built up to support specific needs and provide targeted support to the people on the ground in Nepal. Our District's Peninsula Rotaract team are currently liaising with the Rotaract and Rotary members over there to determine the best course of action for rebuilding after immediate safety needs are met.

**Nepal Disaster
D9815 Disaster Relief Account
BSB 633 000
Account number 241 760 768**

Clubs in our district can contribute to this account directly. Money tagged as being for this cause will be noted as such by the District Treasurer. We will keep Clubs informed as to where their funds are helping.

In addition, the option to donate to the Foundation Disaster Response Fund is an excellent avenue of ensuring support. Clubs and individuals can donate to the DRF through the RI website: [My Rotary Homepage](#) | [My Rotary](#)

2. Also, in the short-term, we have some funds already in the D9815 Disaster Relief Account and we will be donating \$4,000 of that to Disaster Aid Australia, as they liaise directly with Disaster Aid Nepal – with fresh, clean water provision being crucial at present.
3. In the medium to long-term, the Peninsula Rotaract Club is collecting data and information from their contacts around rebuilding and what gap our support could fill. They will then be applying for a global grant from the Rotary Foundation Disaster Response Fund. The Club members are proceeding with their original planned trip to Nepal in December/January this year. This will be their third trip to the area, so they are very well-placed to help us connect with Rotaract and Rotary Clubs in situ.

Please consider supporting any of the above with your fundraising efforts and donations.

Thank you for your consideration of supporting the people of Nepal.

Yours in Rotary and Rotaract,

Emma Clark

DRR 9815

October is Mental Health Month – “Lift the Lid - Hat Day” - Australian Rotary Health

A focus on mental health research is a focus for my District Governor year, and in preparation for this month we are encouraging all Rotary Clubs and Rotaract Clubs across District 9815 to host a Lift the Lid - Hat Day at your club in October, in support of Australian Rotary Health's vital mental health and general health initiatives.

It's quite simple really, just allocate a club event, where all members are encouraged to wear a hat to participate. Hat Day is a fun and meaningful way to engage your members and raise awareness. Grab your quirkiest hat and rally your club members to make a small donation to ARH. For donations - ARH account details BSB: 112 879 Account: 065 433 595, Reference use: D9815 and your club name.

For more visit www.australianrotaryhealth.org.au

There are very few Rotarians / Rotaractors or their broader families and friends that are not impacted by Mental Illness in one way or another. It affects one in five Australians, and through Australian Rotary Health initiatives, we can help fund prevention, early intervention, and education programs that change lives.

You may have noticed something new about Australian Rotary Health. A fresh look, a clearer voice, the first signs of a new public face beginning to emerge. ARH is calling it -our "glow up". Over the past 6 months, ARH nationally, asked our club members, Rotarians, Rotaractors, ARH partners, and researchers, to tell us honestly where ARH is thriving and where we could be braver. So, more Australians can discover what you already know.

District 9815 ARH Committee; We are also looking to "glow up" our district ARH committee. The committee meets quarterly by Zoom and our mission is to work with clubs to strengthen the impact of Australian Rotary Health. If you have a few hours per month, a passion to work with other Rotarians and Rotaractors please Contact PDG Paul Mee -Director, Australian Rotary Health. M: 0466 208 577 E: paul.mee@rotary9815.org.au

Australian Rotary Health is a national program of Rotary and is one of the success stories of Rotary in Australia. Because of you, and your support, all Rotarians and Rotaractors can be very proud of ARH's achievements over the past 45 years over \$56M raised and invested in, 741 Research Grants and 874 Scholarships funded.

But there is still lots more we want to do.

Yours in Rotary,
Emma Clark
D9815 District Governor 2026/27

Early bird registration opened 1st August 2026 for D9815 Conference 2027

Don't miss this opportunity to save some valuable dollars while you join in the fun of catching up with fellow Rotarians from across the district. Get your tickets now by clicking on the image below.

The poster for the Hunter Valley Conference 2027 features a colorful header with the Rotary logo and the 'Challenge to Change' logo. The main title 'HUNTER VALLEY CONFERENCE 2027' is prominently displayed, along with the venue 'RYDGES RESORT HUNTER VALLEY' and dates '12-14 MARCH 2027'. A large blue banner announces 'BOOKINGS OPEN 1ST AUGUST'. Below this, a yellow section titled 'BOOK EARLY & SAVE' lists three ticket options: 'FULL CONFERENCE EXPERIENCE' for \$295, 'CONFERENCE ONLY' for \$195, and 'GALA DINNER ONLY' for \$140. Each option includes a note about the 'EARLY BIRD' pricing ending on 31 December 2026. The poster also includes a 'WHY BOOK EARLY?' section with four bullet points: 'Save on registration', 'Plan together', 'More than a Conference', and 'A weekend to remember'. A 'TRAVEL MADE EASY' section mentions bus transfers. At the bottom, it says 'MAKE IT A CONFERENCE. MAKE IT A HOLIDAY.' and 'BOOK FROM 1ST AUGUST' with a QR code and a URL.

Volunteer Youth Forms

“All members - following up on working with children checks – it is imperative that all members who may come in contact – even incidental - with children (those under 18) have a working with children's card (WWC) – most members have one but for those that do not could you apply for one ASAP and advise Michael once its received. It costs nothing to apply for a card as a volunteer – you can apply using this link [Working with Children Check \(service.vic.gov.au\)](https://service.vic.gov.au)

Now for the additional requirement of a Form 3 – as explained by the District Youth Chair – Ken Mirams – this is an additional requirement imposed by both the Victorian Government, Rotary International and for insurance purposes. The Form 3 is an extra check particularly for those situations where you may at any time be in a one-on-one situation with a child (anyone under 18), in those cases you must have both the WWC card and a completed Form 3.

Trust that this clarifies – incidental contact with children (not one on one) a WWC check is sufficient – in situations where you will or may be one on one then a Form 3 must be completed. Of course, logistically it makes planning a lot easier if we all have both the WWC card and a Form 3”

Upon completion, please send the form to me.

Rotaract Club of Monash

Rotaract
Australia

Club Meeting Details:

The Club meets on the 1st and 3rd Monday of the Month at 7:00pm for a 7:15pm start at the Clayton Hotel, 319 Clayton Road, Clayton. Send them a message at info@monashrotaract.org.au if you would like to join them and not miss out.

Upcoming Events:

Follow this Link (<https://monashrotaract.org.au/>) on upcoming events at Monash Rotaract .

Where other Clubs Meet

A Rotarian can attend the weekly meeting of any Rotary club around the world. This is a "make-up" and counts as attendance credit when you are not able to attend a meeting of your own club.

Details for all District 9815 clubs can be obtained on the website www.rotary9815.org.au
Details for clubs around the world are available on the RI website (www.rotary.org)

Reminders

Contributions for inclusion into the Bulletin should be passed to editor@rotaryoch.org.au by Friday evening of each week.

Please remember if you cannot perform your rostered job, it is your duty to find a replacement to take your place.

Visit our new Facebook page at [@Rotaryoch9810](https://www.facebook.com/Rotaryoch9810) or click 

For any updates and changes which need to be made to the membership database please send them to editor@rotaryoch.org.au

Joke of the Week

This happened yesterday and is important information for our age group and beyond.
A friend had his 2nd dose of the vaccine at the vaccination center after which he began to have blurred vision on the way home.

When he got home, he called the vaccination center for advice and to ask if he should go see a doctor, or be hospitalized.

He was told NOT to go to a doctor or a hospital, but just return to the vaccination center immediately and pick up his glasses!

Rotary International News

Grandparents for Vaccines share powerful stories

An effort to keep today's children from suffering the diseases of the past

by Dr. Arthur Lavin

In 1979, during the first weeks of my residency at Boston Children's Hospital, I cared for a very sick 8-year-old boy. He was infected with meningococcus, a bacterium that overwhelmed his body and caused a deadly case of sepsis. His parents and I sat at his bedside, watching as his heart alternated between a slow, imperceptible beating and, with the administration of an hourly medication, a more normal rhythm.

But the infection was advanced, and after several hours, the boy died. I will never forget his agony nor the agony of his loving family. And to this day I remain so grateful that a vaccine — the meningococcal vaccine — means parents and their children no longer need to endure such anguish and pain.

But something peculiar happened in the years after the vaccine was introduced. As relieved parents had their children vaccinated and those agonizing deathbed scenes became less frequent, people forgot about the danger of meningococcus. Now paediatricians are reporting that these dreaded infections are reappearing in our children.

And it's not just meningococcus. In 2000, the Centres for Disease Control and Prevention declared that measles had been eliminated in the United States — and yet today, the disease is surging across many regions of the country. According to the CDC, the U.S. is now experiencing its highest levels of measles infections in 35 years. That's unacceptable.

Illustrations by Mar Hernández

It is a bitter irony that the very success of childhood vaccination has made us forget critical stories about the sad and long-term impact that measles and other infectious diseases can have. We now realize that vaccines can not only erase the disease itself but any memory of that disease as well. And regrettably, that can contribute to a diminished interest in preventing it.

With their unique position in society, grandparents can help dispel that cultural amnesia. Traditionally, we have shared wisdom across the generations using true stories from our past, and those stories can help shape the choices that others make. The power of grandparents' stories flows from the depth of our real experience and the love we have for our grandchildren.

This is why, one year ago, I helped found Grandparents for Vaccines. As a husband, father, grandfather, and retired paediatrician, I have witnessed some heartbreaking moments that continue to keep me up at night. Today I can't help but wonder why parents would invite preventable diseases — diseases we had all but eradicated — back into our children's lives.

At Grandparents for Vaccines, we collect emotionally powerful stories that can help younger people remember, if only vicariously, the ravaging effects of diseases that medical advances can now prevent. Therese Vogel's story is a great example.

An Oregon-based mother, grandmother, and member of Grandparents for Vaccines, Therese recently shared the story of her sister, Nancy, who, at age 4, suffered an infection in her brain called encephalitis, which can be a terrible complication of measles. Sadly, the condition caused intellectual disabilities that affected Nancy for the rest of her life. In a moving video — one of many shared on our organization's YouTube channel — Therese expressed her wish that no child should suffer the way her sister did. Nancy's experience with measles teaches us all that the infection can have devastating consequences. Through her story, Therese reminds us what's really at stake and why we need to show people the continued importance of childhood vaccinations.
