South Oakleigh Bowling Club (SOBC) Primary Schools Tournament

SOBC is thrilled to advise an inaugural primary school tournament on September 14, starting at 10am

We are looking as getting as many volunteers as possible to help on the day.

Special Announcements

Please let me know if you are wanting to help out on the day.

If you wanting to help out you will need a working with children's check (please let me know if you have a current one). Quite a simple process and there is no cost.

See attached link: Apply for a Working with Children Check | Service Victoria
<https://share.google/VnP8xmFUD0hnjZUEN>

Personally, I think a good thing to have.

The 4 schools taking part for the Elizabeth Morrow trophy are:

- Clarinda PS
- Huntingdale PS
- Amsleigh Park PS
- Christ Our Holy Redeemer

There will be 16 students per team (4 teams of 4) and each school will play against each other once.

There will be a BBQ lunch provided and presentations will take place at around 1.30pm.

Plan is to have 16 students per team (4 teams of 4), we will have some modified rules and scoring to try and ensure it is fun for all the kids. This will include the kids swapping in and out of teams if this suits. Any funds raised will be donated to the Monash Children's Hospital

We are hoping it is a fun day for all involved, parents and friends are invited to support and encourage the students.

Any queries, please just follow up with me.

Take care
Greg Telley

October is Mental Health Month – “Lift the Lid - Hat Day” -Australian Rotary Health

A focus on mental health research is a focus for my District Governor year, and in preparation for this month we are encouraging all Rotary Clubs and Rotaract Clubs across District 9815 to host a Lift the Lid - Hat Day at your club in October, in support of Australian Rotary Health's vital mental health and general health initiatives.

It's quite simple really, just allocate a club event, where all members are encouraged to wear a hat to participate. Hat Day is a fun and meaningful way to engage your members and raise awareness. Grab your quirkiest hat and rally your club members to make a small donation to ARH. For donations - ARH account details BSB: 112 879 Account : 065 433 595, Reference use: D9815 and your club name.

For more visit www.australianrotaryhealth.org.au

There are very few Rotarians / Rotaractors or their broader families and friends that are not impacted by Mental Illness in one way or another. It affects one in five Australians, and through Australian Rotary Health initiatives, we can help fund prevention, early intervention, and education programs that change lives.

You may have noticed something new about Australian Rotary Health. A fresh look, a clearer voice, the first signs of a new public face beginning to emerge. ARH is calling it -our "glow up". Over the past 6 months, ARH nationally, asked our club members, Rotarians, Rotaractors, ARH partners, and researchers, to tell us honestly where ARH is thriving and where we could be braver. So, more Australians can discover what you already know.

District 9815 ARH Committee; We are also looking to “glow up” our district ARH committee. The committee meets quarterly by Zoom and our mission is to work with clubs to strengthen the impact of Australian Rotary Health. If you have a few hours per month, a passion to work with other Rotarians and Rotaractors please Contact PDG Paul Mee -Director, Australian Rotary Health. M: 0466 208 577 E: paul.mee@rotary9815.org.au

Australian Rotary Health is a national program of Rotary and is one of the success stories of Rotary in Australia. Because of you, and your support, all Rotarians and Rotaractors can be very proud of ARH's achievements over the past 45 years over \$56M raised and invested in, 741 Research Grants and 874 Scholarships funded.

But there is still lots more we want to do.

Yours in Rotary,
Emma Clark

Volunteer Youth Forms

“All members - following up on working with children checks – it is imperative that all members who may come in contact – even incidental - with children (those under 18) have a working with children's card (WWC) – most members have one but for those that do not could you apply for one ASAP and advise Michael once its received. It costs nothing to apply for a card as a volunteer – you can apply using this link [Working with Children Check \(service.vic.gov.au\)](https://www.service.vic.gov.au/working-with-children-check)

Now for the additional requirement of a Form 3 – as explained by the District Youth Chair – Ken Mirams – this is an additional requirement imposed by both the Victorian Government, Rotary International and for insurance purposes. The Form 3 is an extra check particularly for those situations where you may at any time be in a one-on-one situation with a child (anyone under 18), in those cases you must have both the WWC card and a completed Form 3.

Trust that this clarifies – incidental contact with children (not one on one) a WWC check is sufficient – in situations where you will or may be one on one then a Form 3 must be completed. Of course, logistically it makes planning a lot easier if we all have both the WWC card and a Form 3”

Upon completion, please send the form to me.

Rotary International News

Talking reading and Rotary with Dolly Parton

The entertainer and philanthropist Dolly Parton died 25 August 2026. This Q&A was originally published in the March 2010 issue of The Rotarian (now Rotary) magazine. Later that year, she spoke at the Rotary International Convention in Montreal, Canada.

Photo courtesy of Rotary International

Growing up in the mountains of Tennessee, USA, Dolly Parton had little time for reading. Before and after school, she and her 11 siblings had chores: fetching water from the well, cooking over the wood-burning stove, and tending the vegetable plot. Her father, a tobacco farmer, never learned to read.

Parton's impoverished childhood and her father's illiteracy inspired the country music legend to launch a children's book program in 1996. She started in her native Sevier County. Now home to about 80,000 people, the county had a population of 60 during her youth — "and 36 of them were Partons," she says.

The Dollywood Foundation's Imagination Library provides a new book every month to children from birth to age five, starting with *The Little Engine That Could*. To date, the program has delivered more than 23 million books to preschoolers in Canada, the United Kingdom, and the United States. A year ago, Parton's organization and Rotary International teamed up to further the effort, which costs US\$28 per child annually. More than 140 Rotary clubs participate.

Parton will give a keynote address on 23 June at the 2010 RI Convention in Montréal, Que., Canada.

An actress, songwriter, and singer, Parton has won seven Grammy awards and was named to the Country Music Hall of Fame in 1999. Her Broadway musical, *9 to 5*, based on the movie, will be

touring later this year. This month also marks the 25th anniversary of her Dollywood theme park, in Pigeon Forge, Tenn.

Most philanthropies help only the poor. The Imagination Library took income out of the equation, offering books to all children, regardless of family finances. Why is that? I never wanted a child or family to feel they were getting books because someone decided they must be poor or underprivileged. I want kids to feel that the reason they are getting a book is because they are under five and their community loves them. And I do have a practical side: If we had to take on the burden of deciding who qualified and who didn't, we would spend more time and money on qualifying people than we would on books.

How has Rotary supported your work? Rotary has been a wonderful partner. It has helped us in all kinds of ways — getting the word out, funding the effort, and finding others to help fund it, and also registering lots of kids. It won't be long till we are mailing to 600,000 kids a month.

What is your impression of the Rotarians you have met? I never really pay much attention to what people are; I focus on who they are. Everyone I have met has been warm, loving, caring — and pretty darn funny!

Do you own a Kindle? No. I love everything about a book — the way it feels and the way it smells. I think there will always be books, and I think the world is plenty big enough to have both books and Kindles.

What do you envision for the future of the Imagination Library? My hope is simple: that no child will ever have to grow up without books. Our partnership with Rotary is just beginning, so I am sure as we grow closer, our dreams will grow.

What books do you have on your nightstand? I read all the time, but the one book that is always on or near my nightstand is the Bible.

Does anyone read to you? For me, reading is a solitary adventure. I get up real early every morning. I call it my 'God time' — it's so quiet, and I can read, pray, write, create. It is a very special time for me.

How have your philanthropic efforts inspired your music? Everything I do somehow makes it to my music. However, I know that as I mature (I don't get older — I just keep on growing and maturing), I want to do more with kids, entertain them, have fun with them, and maybe even inspire a few along the way. I am just a big kid myself, so I have been enjoying writing music for kids. One day down the road, I will release my first children's collection, so stay tuned!
